

PMI-MCAC Professional Development Day 2018

Professional Development Unit Reporting Information

Glad you could join us for Professional Development Day 2018! Professional Development Units (PDUs) have been reported for PMI-MCAC members and those who provided a PMI ID at registration as of 12/5/2018. Non-PMI-MCAC members, those who were not able to provide a PMI ID at registration or last-minute attendee substitutes would need to report their own PDUs.

Note: Batch reporting may not be successful if individual records do not match up with PMI criteria. Unfortunately, this is outside of our purview. If this happens, please check your PDU status at <https://ccrs.pmi.org/claim/history> and report any missing hours, if needed. Thank you for understanding.

Below are itemized session information for reporting. Please use them to report for future recorded sessions as they become available for viewing. Thank you!

CourseIdentifier	PDUClaimCode	Title	Status	Talent Triangle	MaxPDUs
